## THE BEGINNING OF A NEW STORY FOR HUMANITY!

"We are in a highly transitional time on Earth as old structures break down in preparation for the new world that is coming. The accelerated pace of this time of spiritual evolution is forcing each of us to awaken the shaman within and reach our highest potential. We no longer have the luxury of learning only from the past; we must also download information from the future in order to be fully present, fully conscious, in our most embodied and best self now."

~Linda Star Wolf

# JOURNEY TO PERU FOR THE SACRED ACTIVATION OF 12-12-12

## VISIONARY SHAMANISM

A powerful tool to help you reconnect with your own inner healer, release dysfunctional patterns and remember the magic of who you truly are.

## SACRED AYNÍ

The Andean concept of 'reciprocity', providing the foundation for how the Andean people relate to each other as well as how they relate to Nature.

*Throughout this journey we will engage in breathing practices in our rituals and ceremonies to activate the magic of who we truly are, hear the call of our unique Sacred Purpose in the world and practice sacred Ayni with the land, spirits and people of Peru.*
